GATEWAY

APPLICATION FORM 2012

What is it? Gateway is a work experience programme for senior secondary students. With Gateway, you can have a taste of working life while you're still at school, learn some skills and earn unit standards along the way.

Want to know more? Think about what job you'd like to do, and the businesses near you that could give you experience. Talk to your learning advisor, family and friends about how Gateway could work for you.

Interested? Fill in the form below, fold it so the School address on the back is visible and post it (no stamp needed). Places are limited, so apply as soon as possible for 2012.

For more information: ring Kathryn Smith, Gateway Coordinator, 0800 65 99 88 ext 8552.

Stick your student address label here or fill in the details.
